Voted by readers and industry professionals including travel consultants, tour operators and destination management companies, this award is an affirmation of the collective efforts provided by the team since the opening. Recognition as Best Boutique Hotel in Asia Pacific at the TTG Travel Awards (Asia) highlights the significance of Mira Moon in the boutique hotel industry as a pioneer offering personalized and design-oriented gadgets. User-friendly and tech-savvy amenities include ‘handy’ smartphone, in-room iPad mini, in-room AirPlay audio system, and digital hotel directory.

“This award is a tribute to our excellent team. I am thankful to have the support from our travel partners and readers who have trusted and continued to support us since the opening. Without their unstinted support and recognition, we would not have won this prestigious award. We continue to focus on our guests and travel partners – listening, understanding and anticipating their needs. We do our very best to deliver a consistent and genuine “Can-do” approach in everything we do, something our guests and partners have appreciated and respected. Our group is also the first to introduce cutting edge technology and complimentary benefits including the handy smartphone allowing free IDD calls to name but a few. Once again, we treasure your support,” said Frank Foster, General Manager of Mira Moon.
